

**Claudia Seaton**  
office manager

Claudia became the Office Manager for Devore & Associates in 2005 following 33 years working for CNA Insurance Company in Overland Park.

Claudia worked her way up the corporate ladder culminating as a Senior Property Underwriter with advanced training as a Multi-line Underwriting Specialist. She was responsible for large commercial property accounts and was authorized to approve the purchase of reinsurance for fellow property underwriters in Kansas City and St. Louis. She also handled property, liability, auto, workers compensation and umbrellas for large contracting accounts including general contractors, HVAC, mechanical and electrical construction, as well as street, road, and bridge work. She was responsible for \$15 million in premiums annually.

Claudia brings a wealth of experience and a positive attitude to Devore & Associates and is truly our front line, go-to person from answering the phone and greeting our clients to managing our finances and handling our day-to-day operations.
