Bill & Jennifer Crowley's new residence was completed in the summer of 2008. Nestled in a quiet cul-de-sac at the southeast edge of the Ottawa, this home offers three levels of living space. With the Master Bedroom, adjoining bath on the main level, this residence will be very useful for the owners for many years. Three large bedrooms with central bath are located on the second level. This 4000 sq. ft. residence was carefully adjusted to meet the owners lifestyle.
